LIDGET GREEN MONTHLY

A message from the headteacher...

As another school year draws to a close, I want to take a moment to reflect and celebrate all that we have achieved as a school community this year.

At Lidget Green Primary School, our values of inclusion, nurture, and respect are becoming at the heart of everything we do. This year, we have seen our pupils and staff embrace these values every day – supporting one another, celebrating our differences, and creating a welcoming and safe environment for all. Thank you for working with us to make our school a place where everyone feels valued and able to thrive.

We are excited about next year the Resourced Provision being opened at Lidget Green. This dedicated space will provide targeted support for pupils who need it most, ensuring every child has the opportunity to succeed. This is an exciting step towards making our school even more inclusive, and we look forward to sharing more details with you in September.

As we say goodbye to another wonderful group of Year 6 pupils, we want to wish them the very best for their next adventure at secondary school. We are so proud of everything you have achieved, and we know you will carry our school values with you wherever you go. We are also bidding farewell to some valued members of staff who are moving on to new opportunities. Thank you for your dedication, hard work, and the positive impact you have made on our pupils and school community. You will always be part of the Lidget Green family.

Finally, thank you to all our families for your ongoing support this year. Your partnership is crucial to our success, and we are grateful for your trust and involvement in school life.

Wishing you all a safe, restful, and happy summer break. We look forward to welcoming you back in September for another exciting year ahead.

With best wishes,
Mrs Woffendin
Headteacher, Lidget Green Primary School

WHATS BEEN GOING ON IN SCHOOL THIS MONTH

SPORTS DAY:

Lidget Green Primary School held its annual Sports Day, and it was a fantastic event filled with excitement, teamwork, and fun. The children thoroughly enjoyed taking part in a range of activities, from relays to egg-and-spoon and sack races, cheering each other on with great enthusiasm. The atmosphere was full of energy, and it was wonderful to see everyone getting involved and showing great sportsmanship. Red House (Luther) emerged as the overall winner, earning well-deserved applause for their effort and determination. It was a memorable day for all!

A message from the Head Teacher

ICE LOLLY FRIDAY WITH MRS WOFFENDIN

A few students from each class were specially selected by Mrs. Woffendin to enjoy an ice lolly treat with her, in recognition of consistently following our school rules: Ready, Respectful, and Safe. Well done to all our role models!

INFLATABLE VISIT

As a special treat from the headteacher, we invited an inflatable company to school for all the students to enjoy. It's been a fantastic year well done to every single student for making it so wonderful.

ClassDojo & Arbor Reminder

Parents, don't forget to activate your ClassDojo and Arbor accounts to stay updated on all the exciting things happening at school!

*Education is the adventure
that never ends, always
leading you to new discoveries*

ATTENDANCE

We have places available in Nursery and reception please contact the school office for more information.

Students who achieved 100% attendance this academic year were rewarded with a fun-filled celebration, complete with a pizza party and a bouncy castle! Congratulations to all our dedicated attendees – we're proud of you!

A big well done from Mr Khan

INFORMATION FOR YEAR 6 PARENTS:

New THINK! campaign resource to support children as they move to secondary school

The number of child pedestrian casualties more than doubles between ages 9 to 11, just as children transition from primary to secondary school. The THINK! campaign is helping parents prepare their children for more independent travel.

THINK! has produced an activity sheet with tips for parents to share with their children on practice journeys and an interactive safe adventures quiz.

To learn more about the campaign visit the WEBSITE
<https://www.think.gov.uk/campaign/safe-adventures/>

Moving up to secondary school – free support for parents and carers of children with additional needs

Parents and carers of children in Year 6 and Year 5 – as we move closer towards the transition to high school, or looking ahead towards starting high school the following year, this can be a period of mixed emotions for the whole family. Worries and anxieties may be heightened if your child has additional needs.

‘Moving up to secondary school for children with additional needs’, is a free, online course, available to all families in the Bradford District. This free course, part of the In Our Place course library, can be followed on demand, in your own time, and will help you help your child navigate the preparation for high school.

As well as ideas and techniques to help you better understand your child, their emotions, and how to help them process or manage them, the course is also a support for the emotional wellbeing of parents and carers of children with additional needs. To access the course for free, all you need is your Bradford District post code and the access code BDPARENTS.

‘Moving up to secondary school for children with additional needs’, is one of 17 online courses available free, on demand, from In Our Place. The courses support most stages families of family life. Other courses you might find helpful include ‘Understanding your child with additional needs’ and ‘Understanding your teenager's brain’.

To access the course and to find out more about the full library of In Our Place courses visit <https://fyi.bradford.gov.uk/parenting-programme-pathway/#inourplace>
